[Draft Statement - Investigation 5-31-13 track changes.docx](#)

All,

Here's the "cleaner" tracked changes version, as well as a new file with the clean version. The clean file you sent, David, was causing problems with my MS Word, so there may be a problem with that file.

Thanks,

Howard

Subject: revised documents

Would recommend going w/the attached which incorporates Howard's comments and makes a few slight revisions.
